

2021 Calendar Photo Index

January: Tillicum Crossing in downtown Portland.

February: Thin and fragile fossil from McDermitt area.

March: Will kayaking at Scappoose Bay.

April: Barnacles and coral at Yachats low tide.

May: Time to plant tomatoes!

June: Downtown Portland from Tillicum Crossing.

July: Find the bug on the flowers.

August: Flower garden path at Crater Lake National Park.

September: Trillium Lake in August, 85 degrees F

October: Our guardians of the homestead.

November: Lovely wreath from Amelia for Christmas 2020.

December: Harlequin Glorybower berries (clerodendrum trichotomum). Last winter Will fed the tree some of the slurry from tumbling rocks. It bloomed like crazy!

We checked out the (unburned) mossy trees at Eagle Fern Park, Nov. 2020.
